

## Getting to Know OUR Library Staff

**Carol Brockmeyer – Carol has worked in public libraries throughout the Illinois Heartland Library District since 1993. She started at the Daugherty Public Library District in 2003 as the library director. She was a pre-school teacher for ten years and a substitute teacher for ten years before that. She earned her degree in Elementary/Early Childhood education in 1981. Her hobbies and interest include all kinds of arts and crafts, riding her bicycle, traveling and spending time with her two daughters and two grand-daughters. Carol thinks she has the “best job in the whole wide world because she gets to be with books and kids on most days.” Serving the community and giving patrons what they want and need is a very rewarding opportunity.**
