

Getting to Know OUR Library Staff

Larissa – Larissa has been working at the library since July of 2021. Her favorite genres are biographies and dystopian novels. When she isn't reading you can find her baking, singing, and hanging out with her family. If she could make one wish it would be to give her parents their dream house. Her favorite food is sushi. Lastly her book recommendation would be for *Radical Integrity: The Story of Dietrich Bonhoeffer*.
