

## Getting to Know OUR Library Staff

Nancy – Nancy has been working at the Daugherty Public Library since February of 2017. Her favorite books are fantasy and historical romance with happy endings. She likes to read, but more often listens to audio books. She makes things out of clay, hikes, walks her dogs, plants flowers and vegetables, and cooks. Her favorite foods are usually the ones she makes herself from home grown ingredients, but for dinner out she prefers Indian food. Lastly her favorite series of books is by Patricia Briggs.
